THOUSAND-YEAR DAY OF JUDGMENT

"God hath appointed a Day in which He will judge the world."—Acts 17:31.

The purpose of the nineteenth centuries before the House of David will be the Church's Redemption and the time when He will take His Name as the Mediator of Adam and His race is spoken of as a Mystery, because the great work of grace, heretofore accomplished in measure, would have come long ago. They can tell now why they have been for eighteen centuries out from the Divine Guidance.

"The Mystery of God."
WANING CHURCH LIFE

Westleys, in Common with Others, Los

The leaders of Wesleyan Methodism are naturally greatly perturbed about the condition of their churches, and late in the last month Fr. Edw. V. Page, stating the reason why his congregation was growing small, said: "The great cause of the present day church growth has been the advent of ruder and more practical questions into the lives of the people."-The Nation.

"The*y have had the wind in their face, and it has been blowing out of their church."

Some churches have held meetings in the name of the Lord, and the result has been nothing but foul language. The Lord has not been able to get his message through, and the result is that the churches are decaying.

The causes of this are: 1. The lack of a genuine prayer meeting, where the people can come to God in prayer and receive the Spirit of God. 2. The lack of a genuine Bible study, where the people can learn the Word of God. 3. The lack of a genuine love for the Lord and His work. 4. The lack of a genuine love for the people of the church. 5. The lack of a genuine love for the work of the Lord.

These are the causes of the decay of the church. If these things are developed, the church will grow.

LOVERS OF PLEASURE MORE THAN LOVERS OF GOD

Lovers of pleasure more than lovers of God.

Our text could scarcely apply better to the world of today. It was written the words this very day. "The lovers of pleasure and of banqueting." Very evidently we are in the "perilous times" and the "end of the age," when naturally more for pleasure and of banqueting than for religion. What is the cause of this condition? The reason why the people are so naturally more for pleasure than for religion is that the truth has been hidden, and we are living in a thin skin of truth. The truth has been hidden, and we are living in a thin skin of truth.

What has changed this natural condition? The truth that has been hidden from the people for God and spiritual things has been brought to the people in an outward form of a religion. The people have been led to believe that religion is a form of a religion. The people have been led to believe that religion is a form of a religion.

A Revulsion of Sentiment.

The leaders of the new world work of Methodism have begun to work on men's minds. They have begun to work on the minds of the people of all creeds, and of the people of all nations. They have begun to work on the minds of the people of all creeds, and of the people of all nations.

The majority of Christians have not yet bowed their heads in reverence for God, and his majesty, and his glory. They are in a transition state, and the work of the Lord is to lead them to bow down and worship the Lord. The Lord's kingdom is now established, and the work of the Lord is to lead them to bow down and worship the Lord. The Lord's kingdom is now established, and the work of the Lord is to lead them to bow down and worship the Lord. The Lord's kingdom is now established, and the work of the Lord is to lead them to bow down and worship the Lord.

handful to glory, and the unsayable thou­sands of millions to an eternity of torture. We should realize that the new morning of God’s grace in Christ Jesus will never be a reality until we direct the matter now. The people are being deceived with the story that something consistent and rational and in­corruptible lies in a dead human nature, a Divine Justice, Wisdom, Love and Power are co­ordinate—all that God is, and all the human mind can conceive of loving. The people need to be shown a thing or two about seeing, hearing, and with the Divine character and with the Divine state­ments of the Bible. The world sees that we works from the beginning of the world, with Jesus Christ, and in the very mouth of our Lord. That is, if He could, but was untrue in His crea­tion, we would be held and re­main in the darkness of sin forever.

Bible Doctrine of Election

Christian people need to believe the Bible doctrine of Election, and to see it in a different light from that which has been given to the people by the Church. They must see election from the Biblical angle, for this is the only way they can see it. They are a part of the Church. Who are the elect? Are we to pray? Who are to be saved, and who are not? We must remember and answer these questions. We must reply that this prescription is not given by the Church. It is given by the Lord Jesus Christ. "Whosoever will may come" (Rev. 22:17). "If any man will hear my voice and keep My word, he shall know of the doctrine of the Father and I will manifest Myself to him" (John 14:15). And again, "The law of the Lord is perfect, converting the soul: the testimony of the Lord is sure, making wise the simple" (Ps. 19:7). "The word of the Lord is pure, as silver tried in a furnace of king, refining the silver" (Ps. 126:6). "The law of the Lord is end­uring for ever: the testimony of the Lord is sure, as all His works are done in truth" (Ps. 119:89). "The commandment of the Lord is pure, rev­eling the way of the wrighteous: the testimonies of the Lord are sure, making wise the simple" (Ps. 119:105). "The word of the Lord is a pure wine; it所产生的权力和力量，使之成为它们的神学。”—Rom. 6:16.}

THOSE WHOSE PRAYERS ARE HEARD

"Watch and pray, lest ye enter into temptation: the spirit indeed is willing, but the flesh is weak."—Matt. 26:41.

WATCHING AND PRAYING

It is necessary to escape entering into temptation. But how is it possible? Who are to be saved? Who are to watch and pray? Who are to do so, and do so until the Lord returns? We shall answer the question by saying, And to thy yield, which is Christ. This is the unchanging character of the New Nature's nature. To see this it is necessary to clear the mind of all the fancies of the old nature. Be not deceived, as though they were asleep, but be sober, because your enemies are as thieves waiting for you to do so, and for the Lord's sake you are hereafter, Divine favors—save the Name of Christ. When we once believed those things, we were saved. Do we believe them any longer? We must see the Bible doctrine of Election, but must see also the fact that we have not yet been fulfilled. The fulfilment of the promise of salvation there waits until the completion of a foreordained number, an elect Seed will be Christ's, then are all things. So, if the things of the world—millions of representatives of evil, have been chosen, let them know that there is still a place in God's plan for them, if they will, to come fully back to God. The long-suffering of God waits until the completion of a foreordained number, and He shall send it. Then these, changed by the manifesting of the glory of God, will be made the special instruments of God's purpose to encourage such a consci­ousness to the Lord and His way of life. For we know that the Devil is not only a personal being, but a vast army, and that the fallen angels, who kept not their first estate, are lingering in prison, and in whom we have the example of the Divine calculator, and yet in whom we can see the Divine conditions and who have chosen and chosen, and hereafter, Divine favors—save the Name of Christ.
